Custom Paper Bag Enquiry Form

All paper bags are custom made and printed to your specification. Our minimum quantity is 1,000 for most types of paper bags and the main factors that affect price are:

1. **Size & Thickness** – Thickness measured in gsm - Amount of material used to produce the product
2. **Quantity** – The higher the volume, the cheaper the rate (A big factor)
3. **Paper Type** – Brown Kraft is usually the least expensive
4. **Handle Type** - Paper twist is usually the least expensive
5. **Number of print colours, sides & % of print coverage**

Below is the information we required when placing an order:

PAPER TYPE
